

Accessories (Optional parts)

IDT-17 LUGGAGE TAG

- Luggage tag composed of an acrylic holder and silicone cover.
 - The contents and information of the case can be displayed for easy organization and identification.
 - 170mm strap length.
 - Do not pull the strap with excessive force so as to prevent the strap from coming out of the strap fastener.
- ※ Luggage tag is not subject to RoHS regulations.

DP-1527 ADHESIVE DOCUMENT POUCH

Thickness: 50µm

- Adhesive document pouch for shipping label, etc.
 - Pouch is fully sealable to prevent documentation from slipping out during transit.
 - Documents can be easily retrieved through the perforations on the pouch.
 - Aside from shipping labels, invoices, instruction manuals and so on can be contained within.
 - Possible to stick on protector case, tool case, etc. such as NK, NKK, MINI, XTRA series.
- ※ Adhesive residue or slight peeling may remain.
- Possible to stick on the grained (fine unevenness) polypropylene material.
- ※Note : Depending on the material or surface finish, the pouch may not be able to be removed properly.
