CUSTOMIZATION POSSIBILITIES

Inkjet Printing • Engraving

Print your logo, letters via inkjet printing with low initial cost from just 1 piece.
Engraving is also possible!

Developed Idea by using acrylic panels

Aluminium panels can be exchanged for an acrylic panel for display of internal components. Perfect for use as showcase models or product demonstrations. (Example: FC series)

Used as a visually appealing decorative front panel placing on a standard aluminium panel. (Example: AWA series)

COLOR VARIATION

Available in different color types, as well as smoked / tinted shades.
